[Riding the Rails With Ethanol](#) **Jul 4, 2007**

A pipeline might ship several thousand gallons of gasoline, followed by a shipment of diesel fuel. Unfortunately, petroleum products leave deposits in the pipes deposits that ethanol can dissolve, contaminating the shipment. (BusinessWeek)

[Oil Prices Decline in Asian Trading](#) **Jul 4, 2007**

Distillate inventories, which include heating oil and diesel fuel, are expected to decline by 200,000 barrels. The closure of a 108,000 barrel-per-day refinery in Coffeyville, Kan. (Sunspot.net -- Business)

[Flower Festival boosts Lompoc economy](#) **Jul 4, 2007**

Those visitors create big business at local restaurants and the buses fill up on diesel fuel, especially if they are coming from more distant areas like Southern California, he said. The food booths are run by nonprofit organizations and churches that count on the festival as their primary fundraising event of the year, he said. (Lompoc Record, CA)

[Ontario to require speed limiters for big trucks](#) **Jul 4, 2007**

The Ontario Trucking Association says all trucks built in the last decade are already equipped with speed limiting technology and they estimate that speed limiters will save a typical tractor trailer 10,500 litres of diesel fuel every year. They also expect speed limiters to reduce the number of severe accidents involving large commercial trucks. (Toronto Star)

[Newport News Business Leads Nationwide Monster Truck Boom](#) **Jul 3, 2007**

That monster engine guzzles 50 gallons of diesel fuel per hour. (Copyright 2007 by The Associated Press. (WTKR.com, VA)

[Diesel engines more efficient by design](#) **Jul 3, 2007**

The diesel engine compresses that air about twice as much as a gasoline engine and injects diesel fuel straight into the compressed air. The air gets so hot from the compression that it ignites the diesel fuel without any need for a spark ... It turns out that diesel fuel is different from gasoline. (Waterloo-Cedar Falls Courier)

[Below average: Extreme weather takes a toll on 2007 wheat harvest](#) **Jul 3, 2007**

"A few years ago, the price of diesel fuel went from 80 cents a gallon to \$2.50 a gallon now, which is quite a jump. Fertilizer went from 20 cents three years ago to 50 cents a unit this spring. Cost of repairs and new equipment in the last couple of years is also higher," he said. "The price of grain has come up, too, but you're still in the same boat. A farmer relies on Mother Nature. It doesn't matter if wheat is \$10, if you don't grow any bushels." (Abilene Recorder Chronicle)

[PAT's new wheels Petersburg adds nine shorter, more fuel efficient buses to city's fleet](#) **Jul 3, 2007**

Reekes said that the new buses are some of the most fuel efficient on the market and can make use of an ultra-low sulfur content diesel fuel which also makes the buses environmentally friendly. These are also low floor buses, Reekes said. (Petersburg Progress Index, VA)

[Biodiesel refinery approved for Jones Island](#) **Jul 2, 2007**

of Menomonee Falls, believes the Port of Milwaukee location will allow them to be cost competitive with diesel fuel in the Milwaukee market, the Port of Milwaukee said Thursday. The local refinery would eliminate transportation costs that would save money for consumers and the city of Milwaukee, which uses a biodiesel blend in its fleet. (Milwaukee Business Journal, WI)

[Police uncover interstate theft ring](#) **Jul 2, 2007**

The sheriff's office says in a court document there are more than 1,000 tires at the yard, creating a fire hazard, and there was evidence of a large unreported diesel fuel spill. Gutierrez and his attorney, William Padula, declined comment about the

matter Thursday. (Munster Times, IN)

[Fire damages sewage treatment plant](#) **Jul 1, 2007**

FIRE DESTROYED A GENERATOR at Bainbridge s Wastewater Treatment Plant Wednesday morning, after an explosion burst the generator s motors and oil pan, causing oil and diesel fuel to ignite. The cause of a fire that destroyed a generator at Bainbridge s Wastewater Treatment Plant Wednesday morning is still not known, city officials said Thursday. (Bainbridge Post Searchlight, GA)

[CJA holds forum on energy crisis in Takoradi](#) **Jul 1, 2007**

He said the price of diesel fuel recently went up and the government should have taken this into account before ordering the diesel plants. Mr Ahwoi said construction of a hydroelectric dam at Bui would not solve the country's energy crisis because the dam would rely on the Volta Lake as the Akosombo dam. (Ghana Web, Ghana)

['Gorilla' project worth exploring in our state](#) **Jul 1, 2007**

Hyperion Resources of Texas is considering Union County for an 8 billion refinery to produce diesel fuel and gasoline about 400,000 barrels a day. The refinery could supply all the fuel that s needed in South Dakota, Iowa and Nebraska, according to Gov. Mike Rounds. (Rapid City Journal, SD)

[L.A. ports authority](#) **Jul 1, 2007**

And the ports' terminal expansion plans include the costly step of providing ships with shore-based electricity while cargo is unloaded, eliminating the need for docked ships to run their engines with high-sulfur diesel fuel. Meanwhile, the proposal by BNSF Railway for its near-dock, intermodal rail facility incorporates plans for electric cranes, natural-gas-powered yard equipment, and cleaner-burning, more fuel-efficient locomotives, among other measures. (San Diego Union-Tribune -- Business)

[Resolved: cleaner air starts at home](#) **Jul 1, 2007**

"We started to think about solutions, turning over to cleaner diesel fuel, using filters and cleaner fuel, that can reduce up to 90 percent of the diesel particulate matters.". Hellmann said the coalition first turned to the private oil and trucking companies in Chelsea, asking if they would commit to retrofitting their vehicles. (Boston Globe)

[New Laws Take Effect Sunday](#) **Jun 30, 2007**

--An increase in the tax on a gallon of diesel fuel of 1 ... --The tax on diesel fuel is boosted by 1. (WTKR.com, VA)

[Biofuel Crops Double As Greenhouse-Gas Reducers](#) **Jun 30, 2007**

For example, operating a tractor to plow, plant, fertilize and harvest all require gasoline or diesel fuel. This, in turn, releases carbon dioxide and other greenhouse gases tied to global climate change. (Science Daily)

[• Double Whammy On Diesel Taxes](#) **Jun 30, 2007**

Truckers and drivers who use diesel fuel could be paying additional tax Sunday because of a quirk in state law. Some motorists could be paying as much as 15 cents per gallon extra for diesel fuel, depending on where they buy it ... The situation is limited only to diesel fuel. (FOX61, CT)

[Biodiesel sailor setback](#) **Jun 29, 2007**

Ware, who invented a technology to turn used vegetable oil into diesel fuel, plans to steer his biodiesel-powered boat to China to promote alternative fuels. His 45-day journey is timed to beat the Pacific storm season, which begins August 15. (Lodi News Sentinel, CA)

[Oil futures spike above \\$70 a barrel, first time since Sept.](#) **Jun 29, 2007**

Real solutions for your real estate needs. Choose from the selections below. (USA Today -- Money)

[Mom, son killed in Davis crash; 4 injured](#) **Jun 29, 2007**

That crash closed the highway for three hours while crews cleaned up diesel fuel that spilled for 50 yards when the semi jackknifed and tore open its fuel tanks. The driver was cited for failure to stop at a red light and equipment violations, Raban said. (Deseret News)

[Nemo cleanup continues](#) **Jun 29, 2007**

The problems began years after the Forest Service used a pesticide called ethylene dibromide, which was then mixed with diesel fuel. The mixture was sprayed on pine trees in an effort to curb the spread of the mountain pine beetle. (Black Hills Pioneer, SD)

[New Biofuel Plant](#) **Jun 29, 2007**

Animal Fat Used to Make Clean Diesel Fuel Replacement ... It was that Tyson Foods and Syntroleum will form a 50:50 joint venture company, called Dynamic Fuels LLC, to produce a diesel fuel replacement from biomass consisting principally of animal fat and grease provided by Tyson Foods ... The fuel can be burned in any and can be stored and handled with the equipment currently used for diesel fuels. (Suite101.com)

The smell of gas and diesel fuel were heavy in the air. Paul Irvin found his sheet metal shop near the creek under 6 feet of water. (Fox News)

[Alternative fuel ambassador](#) Jun 28, 2007

His company, Freedom Fuels, produces machines that turn leftover vegetable oil into diesel fuel. Barry Ware demonstrates how clean biodiesel is. (Lodi News Sentinel, CA)

[Energy Up, Other Markets Mixed](#) Jun 28, 2007

Energy prices rallied Wednesday after the government reported a surprising drop in U.S. stockpiles of gasoline and distillates such as heating oil and diesel fuel ... Distillate stocks, which include heating oil and diesel fuel, also declined despite market expectations for an increase. (ABC News -- Wire)

[Group looks to ExplorationWorks as example of efficiency](#) Jun 28, 2007

Bob Quinn, an organic farmer in Big Sandy for the past 20 years, has his own pilot program going in which he is growing camelina seeds on 40 acres and turning it into diesel fuel. His goal is to use 5 percent of his property to produce 100 percent of the fuel he needs, at a cost of about 1. (Helena Independent Record)

[City Schools face budget cuts](#) Jun 28, 2007

Fixed costs have increased as utilities, diesel fuel and insurance take a bigger bite of the operating budget. Attendance has decreased, meaning that the school system receives 600,000 less in 2007 than it did in 2000, based on average daily attendance (ADA). (Campbellsille Central Kentucky News Journal, KY)

[The Impending Food Fight](#) Jun 28, 2007

So recent huge price increases in diesel fuel and petroleum-based fertilizers and chemicals have been passed on to the consumer ... So recent huge price increases in diesel fuel and petroleum-based fertilizers and chemicals have been passed on to the consumer. (Townhall.com)

[A Cleaner North Sea? Ship Fuel Suppliers Hedge Bets](#) Jun 28, 2007

European Commission regulations banning ships from burning dirtier fuel in the North Sea and the English Channel are aimed at reducing sulphur dioxide emissions that are 700 times higher than sulphur levels in diesel fuel for vehicles. Sulphur dioxide is a major cause of acid rain and blamed for health problems such as lung disease. (Planet Ark, United States)

[Average gasoline price jumps more than 5 cents to \\$2.30 a gallon](#) Jun 28, 2007

Separately, the price of diesel fuel increased by 1. 5 cents to \$2. (Yahoo News -- Oil and

Gas)

[Soybean Oil Prices Questioning Biodiesel Profitability](#) Jun 28, 2007

It is dependent on feedstock, size (of plant), and diesel fuel prices, he says. Many argue soy oil prices are threatening the industry and nearing break-even points. (Agri-View, WI)

[" target=" top">](#) Jun 28, 2007

So the factory supplies its own electricity, with three big generators running on diesel fuel. The water may come from "one of the last pristine ecosystems on earth," as some of the labels say, but out back of the bottling plant is a less pristine ecosystem veiled with a diesel haze. (FastCompany)

[Reducing Marine Engine Pollution](#) Jun 28, 2007

Avoid spilling gasoline or diesel fuel. Pour oil or fuel slowly and smoothly. (Suite101.com)

[Tyson unveils second biofuel venture using animal fats](#) Jun 27, 2007

created a renewable fuels division last year and in April announced its first venture, a deal with oil company ConocoPhillips to produce and market diesel fuel for U.S. vehicles using beef, pork and poultry fat. The new venture with Syntroleum calls for a first plant to be opened next year to produce 75 million gallons of synthetic fuel each year. (Bartlesville Examiner-Enterprise, OK)

[Diesel tank saved](#) Jun 27, 2007

The fire had threatened a nearby 5,000-gallon diesel fuel tank and one person suffered burns. Casa Grande Valley Newspapers Inc. 2007. (Casa Grande Valley Newspapers, AZ)

[Pollution-reducing technology comes to 3 truck stops in NJ](#) Jun 27, 2007

Idling their rig for 10 hours _ the federal rest requirement after 11 hours of driving _ would cost about \$30 in diesel fuel ... Transportation officials estimate the annual diesel fuel savings from the three New Jersey locations with the technology _ off Route 295 in Bordentown, off Interstate 80 in Columbia, and off 295 in Paulsboro _ at 2. (Newsday -- State)

[Expected rise in inventories sends oil lower Jun 27, 2007](#)

Analysts predict crude oil inventories rose by 1 million barrels last week, and distillate stocks, including heating oil and diesel fuel, were up 200,000 barrels. High gas prices don't seem to be impeding demand for gasoline. (Boston Globe)

[Oil Prices Steady Below \\$68 a Barrel Jun 27, 2007](#)

Analysts also predicted that crude oil inventories rose 1 million barrels last week, and that distillate stocks, which include heating oil and diesel fuel, rose 200,000 barrels. Refinery utilization, which fell 1. (Sunspot.net -- Business)

[Budget Approved. Fiscal Year to Begin Jun 27, 2007](#)

These included: diesel fuel for buses, \$55,228; actual medical insurance rates, \$302,824; actual dental insurance rates, \$18,119; oil spill wastewater treatment, \$20,000; vo-ag tuition (student moved), \$7,245; and an additional unidentified estimated turnover of \$140,000. That left \$1,335,524 to be cut from the spending plan. (Voices, CT)

[Buses Get Cleaned Up Jun 27, 2007](#)

He said school buses already run on the best diesel fuel there is, ultra-low sulfur fuel. "The EPA says it is required for all diesel vehicles-it's the only option," Henri said. (Rexburg Standard Journal, ID)

[Energy Bill in the Senate is Destructive Jun 26, 2007](#)

Requires that half of the new cars manufactured by 2015 be capable of running on 85 percent ethanol or biodiesel fuels ... 8 billion gallons of diesel fuel, about 1. (Human Events Online)

[Get ready for another gas tax hike come July 1 Jun 26, 2007](#)

But because of a decision this year to change how diesel fuel is taxed - boosting that fuel's excise levy, but exempting wholesale diesel transactions from the gross receipts tax - the new gross receipts tax revenue forecast is about \$287 million. Though state lawmakers frequently defend the state's second fuel tax as the revenue engine that pays debt service on a \$3. (Journal Inquirer, CT)

[Hay season: Price soars Jun 26, 2007](#)

Costs are up considerably, including diesel fuel at about 2. 80 per gallon and twine made from petroleum products at 30 per box. (Albany Democrat-Herald, OR)

[Milk prices go up in Maine Jun 26, 2007](#)

Diesel fuel is more than \$3 a gallon, and grain prices are up to feed the cows. But the rising price is good news nonetheless. (Concord Monitor)

[Suncor Energy prices U.S. debt issue Jun 26, 2007](#)

Suncor's oil sands business, located near Fort McMurray, Alberta, extracts and upgrades oil sands and markets refinery feedstock and diesel fuel, while operations throughout western Canada produce natural gas. Suncor operates a refining and marketing business in Ontario with retail distribution under the Sunoco brand. (PR Newswire)

[Palm diesel plan delayed Jun 26, 2007](#)

MALACCA: Malaysia may delay a plan to require all domestic diesel fuel to contain a minimum 5% palm oil-based biofuel beyond next year as feedstock costs surge, the commodities minister said yesterday. We will have to look at the introduction of EnvoDiesel very cautiously because of high prices and because of the fact that we have not completed our testing, Datuk Peter Chin said in an interview on the sidelines of a palm oil conference. (The Star Online, Malaysia -- Business)

[Tanker driver hurt in Highway 387 accident Jun 26, 2007](#)

About 1,800 to 2,000 gallons of diesel fuel were spilled, Highway Patrol Sgt. Stephen Townsend said. After Harrison was extricated, he was taken to Campbell County Memorial Hospital, where he is listed in good condition. (Gillette News-Record, WY)

[Venture to make fuel of fat, vegetable oil Jun 26, 2007](#)

Tyson Chief Executive Officer Richard L. Bond announced in April a plan with ConocoPhillips to jointly develop diesel fuel from about half the 2. 3 billion pounds of animal fat Tyson produces a year. (Sunspot.net -- Business)

[Average gasoline price jumps more than 5 cents to \\$2.30 a gallon Jun 26, 2007](#)

Separately, the price of diesel fuel increased by 1. 5 cents to \$2. (Yahoo News -- Oil and Gas)

[Agri-Tech: Farmers will soon have cleaner off-road diesel fuel Jun 24, 2007](#)

Diesel fuel is getting cleaner ... U.S. refineries began producing low sulfur diesel fuel June 1 for use in off-road equipment ... Low sulfur diesel fuel has sulfur content of 500 parts per million reduced from 2,500-3,000 parts per million in traditional diesel. (Sioux Falls Tri-State Neighbor, SD)

[Crash kills two Jun 24, 2007](#)

OA photo by Joshua Scheide An accident Friday morning in Midland County left a Midland woman and her infant daughter dead and a road closed because of a diesel fuel spill ... Meiner said the diesel fuel spill disrupted traffic for several hours. (Odessa American, TX)

[Refueling and refiguring](#) **Jun 24, 2007**

Cole is a proponent of biodiesel fuel, a safe and clean-burning replacement for diesel fuel ... Biodiesel fuel can be made from almost any type of animal fat or vegetable oil, including soybean, cottonseed and canola ... "Alternative fuel is in its infancy," said Cole, whose diesel-engine Jeep Liberty runs on biodiesel fuel. (Pensacola News Journal)

[Motorcycle crash leaves teen dead](#) **Jun 24, 2007**

EPPING, N.H. Diesel mix-up creates headache for drivers About 30 drivers who filled up at a Getty gas station on Route 125 June 16 filled their tanks with diesel fuel instead of unleaded gas because of a delivery error, workers at the station said. Soon after a delivery driver put diesel fuel into the gasoline tank and gasoline into the diesel tank, police said, they started receiving reports of customers' cars malfunctioning. (Boston Globe)

[Palm Coast sees unusual thefts of essential utility items](#) **Jun 24, 2007**

During the past month or so, goods looted from the city have ranged from expensive water meters ripped from isolated buildings to laptop computers yanked from trucks parked behind City Hall to diesel fuel siphoned from the tank of an emergency generator at a city water well. In the diesel incident, someone cut through the fence at a city pump just off U.S. 1 between Palm Coast Parkway and Matanzas Parkway the night of June 13 or early the next morning. (Daytona Beach News Journal)

[Packing shed gets new life as biodiesel pilot project](#) **Jun 23, 2007**

Production of biodiesel, a diesel fuel made from used oil or crops, has been growing rapidly across the country over the past few years ... As for customers, "we're going to concentrate on the farmers and the local distributors" of diesel fuel in the region, Saito said. (Fresno Bee)

[Continuing the drive through changing times](#) **Jun 23, 2007**

Rising fuel costs present a challenge, especially to a company that goes through 12 million gallons of diesel fuel a year. "Fuel is a real important component of our cost structure," Bob said. (Dallas County News, IA)

[Crave Brothers Farm to display first manure digester](#) **Jun 23, 2007**

While there is potential to meet energy demands by creating electricity or to make enough biogas that is equivalent to 8,000 gallons of diesel fuel, right now there is not enough money in it. wo-thirds of our income is from the sale of the bedding material, Nemke said. (Watertown Daily Times, WI)

[Zambia: Termite Technology Boosts Road Infrastructure](#) **Jun 23, 2007**

The roads differ from asphalt roads: we don't use diesel fuel to build [them ... "Environmentally friendly roads differ from asphalt roads: we don't use diesel fuel to build [them]," Andersen said. (allAfrica.com)

[Delivery driver fills tanks with diesel, not unleaded](#) **Jun 23, 2007**

EPPING, N.H. -- Dozens of drivers who filled up at an Epping gas station last weekend filled their tanks with diesel fuel instead of unleaded gas because of a delivery error. The station said that about 30 people filled up at a Getty Station on Route 125 last Saturday. (Seacoast New Hampshire)

[With Roads Funding Bill Passed, New 6-Year Roads Plan Gets \\$3 Billion](#) **Jun 22, 2007**

5-cent-per-gallon boost in the tax on diesel fuel and \$3 billion in bonds. They take effect on July 1, the start of the new state fiscal year. (WTKR.com, VA)

[Oil prices fall under \\$69 a barrel on news that Nigeria strike isn't affecting oil supplies](#) **Jun 22, 2007**

Distillate inventories, which include heating oil and diesel fuel, grew by 100,000 barrels per day. Analysts had expected a 900,000 barrel-per-day increase. (San Diego Union-Tribune -- Business)

[Anarchy at sea](#) **Jun 21, 2007**

Another insult to our coastal environment, the May 31 diesel fuel contamination of Encinitas beaches and near-shore waters, is to pin on the correct culprits. On the open seas, both potential witnesses and law enforcement officers are few and far between. (North County Times)

[Nampa family hails benefits of biodiesel](#) **Jun 21, 2007**

That fuel interchangeability means the Jenkins can burn traditional diesel fuel if biodiesel is not available. The extended family Christina and Taylor, their four children, Taylor's parents and a brother and sister plans to leave Nampa on Monday. (Idaho Press-Tribune)

[Governor Rendell Applauds House Action Moving Pennsylvania Closer To Energy Independence](#) **Jun 21, 2007**

The bill requires that gasoline be blended with 10 percent ethanol and that diesel fuel eventually include 20 percent biodiesel once in-state production reaches certain levels. "Each year, Pennsylvania sends \$30 billion overseas to produce liquid fuels," said Governor Rendell. (PR Newswire)

[Dream of fresh produce in the Arctic](#) **Jun 21, 2007**

Electricity in Nunavut comes from large generators that burn diesel fuel. In the brief period when the ocean is free of ice, ships deliver some cargo - such as the building materials and potting soil for this greenhouse - but urgent supplies, or those with an expiration date such as fresh carrots, come in by plane. (Globe and Mail)

[Growing for the biofuel future: Demand for biofuels leads to an expanding terminal](#) **Jun 21, 2007**

Biofuel will be pumped through flexible hoses and a fixed pipeline system to the new storage tanks, where the product will remain until blended with regular gasoline or diesel fuel, Brinser said. In 2004, township supervisors approved an expansion of the terminal on the north side of Texaco Road to meet a federal mandate under the Clean Air Act to have low-sulfur diesel fuel available to customers by June 1, 2006. (Carlisle Sentinel, PA)

[Memorial Highway crash kills Anacortes man](#) **Jun 21, 2007**

An Anacortes man died after he crashed his motor home into a semitruck carrying diesel fuel early Monday. The accident happened about 7 a.m. Monday along Memorial Highway about three miles outside of Mount Vernon, according to Trooper Kirk Rudeen, Washington State Patrol. (Anacortes Weekly, WA)

[N.H. town hopes for end of standoff](#) **Jun 21, 2007**

"There has to be a restriction of access to and from their property. If people can continue to visit them, to bring them supplies, with diesel fuel and food, they can stay there for a long time." Brown neighbor David Grobe, a former patient of Elaine Brown, just wants the dirt road to be silent again. (Santa Cruz Sentinel)

[Soybean Oil Prices Questioning Biodiesel Profitability](#) **Jun 21, 2007**

It is dependent on feedstock, size (of plant), and diesel fuel prices, he says. Many argue soy oil prices are threatening the industry and nearing break-even points. (Agri-View, WI)

[Oil settles above \\$69 a barrel as Nigerian unions reject government offer to avoid strike](#) **Jun 20, 2007**

5 million barrels for distillate stocks, which include heating oil and diesel fuel. Oil inventories are expected to fall by an average of 150,000 barrels. (San Diego Union-Tribune -- Business)

[Wreck shuts down I-285 west of Atlanta](#) **Jun 20, 2007**

Hundreds of gallons of diesel fuel were spilled in the wreck, authorities said. No serious injuries were reported. (Atlanta Journal-Constitution -- Metro)

[Senate rejects liquefied coal](#) **Jun 20, 2007**

Our goal in West Virginia is to become a leader in converting coal to liquids and other products, such as natural gas, diesel fuel, jet fuel, hydrogen or chemicals, Manchin said in his 2006 State of the State address. Continue 1. (Charleston Gazette, WV -- News)

[One Dead In Crash Near Mount Vernon](#) **Jun 19, 2007**

Crews pumped the diesel fuel out of the tanker. Police and incident response teams were at the scene investigating. (KIRO TV, WA)

[Truck driver leaps to safety](#) **Jun 19, 2007**

At midday Monday, hazardous materials workers prepared to dig up dirt contaminated with diesel fuel. The track has been cleared and is open for trains. (Atlanta Journal-Constitution)

[Opposing view: Industry needs jump-start](#) **Jun 19, 2007**

Secondary Navigation. Tue Jun 19, 12:21 AM ET. (Yahoo News)

[Minutes of the Regular Monthly Meeting Board of Directors The Missouri Valley Community School District - Monday, May 14, 2007](#) **Jun 18, 2007**

Arrangements were made with United Western Co-op to fill the district's diesel fuel needs while Taylor Oil is flooded and out of commission. There was discussion about dates and times for summer Board meetings, with consensus finally being to keep the evening meetings at 7:00 P.M. Other dates to remember for the conclusion of the school year were shared, as well. (Missouri Valley Times News, IA)

[Haulin' waste: Trucker grows at fast and furious pace](#) **Jun 18, 2007**

His diesel fuel bill runs about \$10,000 a day. Pages: 1. (Albany Business Review, NY)

[Gaza down to less than 2 weeks of some supplies](#) **Jun 18, 2007**

The power stations that run on diesel fuel supplied daily by Israel produce 100 megawatts, though in theory they could supply 144 megawatts if it weren't for technical problems. Last summer the Israel Air Force bombed the transformer station connected to these plants, though it has been partially restored with Egyptian help. (Ha'aretz)

[Area governments feel the pinch of gas prices](#) **Jun 17, 2007**

The high price of gasoline and diesel fuel impact McPherson, Fairbury city superintendent, both professionally and personally. On a professional level, the high cost has caused him to recommend delaying purchases in the Livingston County community. (The Pantagraph newspaper)

[Drivers might pay road taxes by mile](#) **Jun 17, 2007**

By then, some Americans will be driving cars that use no gas or diesel fuel -- and pay no fuel taxes. Honda will sell a limited-production hydrogen fuel-cell car in 2008. (News & Observer)

[More of this story](#) **Jun 16, 2007**

Board member Doug Divelbiss questioned Green on an increase in the budget plan for diesel fuel. The proposed budget cost for diesel fuel for 2007-2008 is 141,000, an increase from last fiscal year s approved budget of 85,000. (Bartlesville Examiner-Enterprise, OK)

[Metro gets approval on '08 budget](#) **Jun 16, 2007**

Due to a combination of expanding its services and an inflation in diesel fuel, Salci is forecasting a \$32 million deficit for 2009. He said the transit authority buys 6 million gallons of fuel per year. (St. Louis Business Journal, MO)

[Nassau Bay's firemen cited](#) **Jun 16, 2007**

They were given the Oil Spill Prevention and Response Act Award for their response when a tug boat sank in Nassau Bay Lagoon and was leaking oil and diesel fuel into the water. The volunteer firemen boomed the area around the boat to contain the leaking fuel and remained on the scene for three days to assure the spill was cleaned up and the boat removed. (The Citizen - online, TX)

[GM shifts staff to concentrate on hybrids](#) **Jun 16, 2007**

The vehicle would travel about 40 miles, 65 kilometers, or before tapping the engine, which could be powered by gasoline or diesel fuel or hydrogen fuel cells. Toyota's Prius, the world's best-selling hybrid, uses friction from braking and a gasoline engine to recharge its battery and travels only short distances on battery power alone. (International Herald Tribune -- Business)
